b) According to G.O. No. 7242-57/ CB. 170-50-1 dated 1st August 1950, 17.11.50 the appointment of Asst Secy, Law Branch comes under "other services" This appointment is being held by an officer of the Judicial Deptt. The Law Branch being one which is required to offer legal opinion on the files referred to it by the other Branches, it is appropriate that this post should be held by an officer belonging to the Judicial Deptt.

11) Sri G. Natarajan has been working in the Sect. since 8-11-1945 and it is a fairly long period for an officer to be away from his parent Deptt. His chances of promotion as Sub Judges are not far off. He may, therefore, be permitted to

12) The post of Asst Secy to Govt, Law Depn is one which is to be held by a Munsiff and not by a Subordinate Judge. When Sri Nalarajan was posted to this charge, he was only a Munsiff and when he got this promotion as a Subordinate Judge in judicial Depn in the ordinary course, he was promoted as such and continued in the Secy. The same course was adopted in the case of his predecessor Sri Ponnaya.

discussed in paras 16 and 17, it is also not necessary and perhaps not desirable from some points of view, to take an official from the Judicial Department. If it is considered that this practice of taking a Judicial Officer may now be very well given up for reasons given in the note, it is necessary to write to the High Court and tell them the intention of Government. This may be preceded by a formal consultation.

41) In regard to Sri Sri Krishna, it is no doubt true that there are seniors to him not only in the Branch but also outside it, Sri Sri Krishna being a comparative newcomer to the Secretariat having been transferred over here after the Retrocession of the Civil Station. However, in matters of filling up of places of Superintendents and Assistant Secretaries, it is not merely the seniority that counts. If Sri Sri Krishna is considered better fitted to hold the post than his seniors, I consider that there is no bar to appoint him as such, as in another case viz., that of Shri Bharath, it has been so done without giving prominance only to seniority.

2802/AD.

SUBMITTED:-

I joined Government service in the Office of the Hon'ble the Resident in Mysore in 1936. After two years of service in this office I was transferred to the District Court of the C. &. M. Station, Bangalore, and worked for about six years both in the Court and in the attached offices of Registrar of Assurances, Joint Stock Companies, Firms, Births and Deaths and Commissioner for Workmen's Compensation. Throughout the period of this service, I was fortunate in having the kind advice and personal guidance of the Chief Justice of Mysore, the then District Judge, who very kindly much appreciated my character, work and ability. In 1938 at the time of the examination of Retrocession proposals in the Residency Office, my services were requisitioned for some months by the then Secretary to the Resident. In March 1944, the Secretary to the Resident again asked for my services for appointment as Head of the Judicial Branch of the Residency Office and as Registrar of the Courts of the Hon'ble the Resident in Mysore and Judicial Commissioner of Coorg. I worked in the Residency Office in this capacity till the 15th August 1947, the date of lapse of paramountcy, when I entered on leave. I was appointed as the Superintendent of the Legislative Department in the General and Revenue Secretariat in January 1948.

During the fifteen years of my service, I have gained considerable experience in various branches of work in the Residency Secretariat, the Legislative Department and the Courts and local offices in the Civil Station of Bangalore. I have dealt with very responsible work connected with legal and judicial matters. As Registrar of the Courts of the Resident and Judicial Commissioner of Coorg, I am fully conversant with the work relating to the High Court and the Subordinate Courts.

I am a B.Sc., of the Mysore University and B.L. of the University of Madras. I have also passed the (1) Practice and Procedure, (2) Revenue Higher, (3) Accounts Higher and (4) Registration examinations.

I belong to a respectable family in Mysore. My Uncle the late Sri. M.A.Narayana Iyengar (who after retirement became a Sanyasi of the Sri Ramakrishna Mission and was known as Swami Srivasanandaji) retired after serving as Excise Commissioner in Mysore. My father-in-law is Sri. M.A. Narayana Iyengar, M.A., B.L., who retired as Deputy Director of Public Instruction in Mysore.

I understand that Sri. G.Natarajan, the present Under Secretary of the Law Branch will be transferred to the Judicial Department, and the question of appointing an officer in his place in under consideration. I beg to submit that I satisfy the requirements and possess the necessary qualifications and experience for appointment as Assistant Secretary of the Law Branch.

Having been the Superintendent of the Legislative Department of the Secretariat from January 1948, I have been rendering my humble service under the kind advice and guidance of the Hon'ble Minister for Law and Labour and my immediate Officers from all of whom I have always been fortunate in obtaining kind appreciation. As I am fully conversant with responsible work connected with judicial and legal matters and in view of my experience and qualifications, I request that I may kindly appointed as Assistant Secretary of the Law Branch.

There are two posts of Asst. or Under Secy. to Govt. Law Deptt. which are at present held by (1) Sri G. Natarajan (Law Branch), an Officer belonging to the Judl. Deptt. and (2) Sri M. K. Varadarajan (Legn.) - an Officer promoted from the Subordinate ranks of the Gen. and Rev. Sect. The latter post was for a long time shown as included in the cadre of Munsiffs, - though Sri Varadarajan was not given any place in the Judl. Deptt. This entry has disappeared from the Civil List since 1st July 1949 — apparently at the instance of the High Court. The position,

NOTE—Contn. Sheet.

therefore, is that neither of the two posts of Asst. Secy or Under Secy, Law Deptt. is included in the cadre of Munsiffs or Subordinate Judges at present, and though both posts were held at one time by Officers belonging to the Judicial Service, only one of them is held now by a Judicial Officer.

15) So far as the genealogy of these posts in the Law Deptt. can be ascertained, there was only one post originally A.S. or Under Secy. which could be filled up by an Officer of the Civil Service, or of the Judicial or any other Deptt. and the functions and duties of the present Law, Legn. and a portion of the Home (formerly Protection) Branches seem to have been combined in him. He was also ex-officio Secy. R. A. and L.C. As against this solitary post, there seem to be four posts now, including the separate post of Secy. Mysore Legislature. In this connection, it may be of interest to note that one of the early recruits to the post of Asst. Secy. Law was actually drawn from the bar and appointed I Dn. Clerk in G.R.S. and he was later given a place in the Judl. Deptt. C. B. Un. No. 162/33-1 relating to the appointment of Sri N. R. Jaya Rao as Asst. Secy. to Govt. Law Deptt. and to the inclusion of this appointment in the cadre of Munsiffs is placed

Serial No.

below for reference.

16) According to the latest G.O. allocating the posts of Asst. Secretaries to Govt. among the various Services, the post of Under Secy. Law (held by Sir G. Natarajan) is included under "Other Services", and according to G.O. No. 757-807/C.B. 210-23-1 Dt 22.9.1924, this post is intended to be filled by an Officer of the Civil Service or of the Judicial or any other Deptt. The post has, however, been held all along by an Officer belonging to the Judicial Deptt. Having regard to the subjects dealt with in the Law Deptt. (vide page 93 of the Manual of General Circulars and Standing Orders,) it may be stated that while it is obvious that, for an Officer holding the post of Asst. or Under Secy. Law, legal knowledge is quite essential, it is not apparent that judicial experience is equally so. In this view - time-honoured practice apart - it would appear that the Asst. Secy. Law need not necessarily be drawn from the Judicial Deptt. and if for any reason Govt. find it necessary or desirable to fill it up otherwise than by a Judicial Officer this may be done without any serious results. This may however mean the loss of a place so far as the Judicial Deptt. is concerned, and as each Deptt. is naturally concerned to avoid such a contingency, the High Court may have to be consulted to ascertain whether they would agree to the post

NOTE—Contn. Sheet.

being filled up independently of the previous arrangement under which a Judicial officer was being posted.

17) On abstract and general grounds it may be stated that there seems to be no insuperable objection to the post being held by a non-Judicial officer, and the mere fact that the post has all along been held by an officer belonging to the Judicial Deptt. need not perhaps be a bar to any one else, fit & qualified, to hold it. From an ideal point of view, it may even be found to be undesirable to post a Subordinate Judicial officer to hold this appointment, which necessarily involves sometimes in one subordinate officer sitting in judgement over the personal questions of another subordinate officer or over the proposals made by his senior or superior of his parent Deptt. It is true that such an arrangement exists in other branches of the Deptt. That fact may be the very reason for avoiding it in this case and wherever this can conveniently be done. At the same time, having regard to the emphasis laid in recent days on the separation of the executive from the judiciary, it may be found necessary or desirable in course of time to give up this arrangement, and may therefore be given

Serial No.

up from now on if such a step were considered a step in the right direction.

(b) As regards Sri M. A. Sri Krishna's claims for promotion to gazetted rank in the above vacancy, it may be stated that his rank among the Supdts. of the Sect. has yet to be determined, but recruitment to gazetted rank - especially in a somewhat technical Deptt. like the Law Deptt. is apparently based on suitability rather than seniority. In the case of another post, namely, Addl. Asst. Secy. Finance (Budget) claims of seniority were apparently superseded by considerations of suitability. On the same analogy, if Sri Sri Krishna is found fit and qualified to fill the post of Asst. Secy. Law. his representation may be entitled to full consideration.

(c) Repee. para 11.

26.12.50. (d) The intention of Govt in posting an officer of the Judicial Deptt as Asst Secy to Govt, Law Deptt, is that officers with the Secretariat experience may be available for occupying the post of Law Secy to Govt, though this principal has not always been adhered to. The Asst Secy to Govt, Law Deptt may have to assist the Law Secy in offering legal advice on the files referred to him by the other Branches of the Secty. He may have to assist the Law Secy in properly interpreting the

NOTE—Contn. Sheet.

Serial No.

articles in the constitution. All these items of work could be best attended to by an officer who has worked in the Judicial Dept.

In case the present post of Asst. Secy to Govt. Law Dept. is to be filled up by an officer other than the one of the Judicial Dept it amounts to loss of a place so far as the Judicial Dept. is concerned. and the High court may have to be consulted in the matter.

Sri Sri Krishna prior to this appointment in the Secrt was working as a clerk in the Civil Station. He was taken as a Supt. in the Gen and Secrt and is at present working in the Legislation Branch. Though his rank among the Supts has not been fixed, he may have to be assigned a place below a few of Supts who are permanent. Sri C.B. Rama Rao who is the Supt. of the Law Branch, is one of the officials who have put in long service in the Secrt. He holds a fairly high rank among the Supts. It will not be fair to make him work under an officer who was his junior. In case Sri Krishna is selected for the post of Asst Secy, Law, it is likely to lead to heart-burning and discontentment among the officials of

Secrt. When Sri Srikrishna was taken to the Secrt time appears to have been agitation from the officials of the Secrt and protests are sure to have made in case Sri Srikrishna is selected for the post of Asst Secy, Law Dr.

In the above circumstances it appears better to continue the present practice of posting an officer of the judicial Deptt as Asst Secy, Law for some time longer.

Bangalore

Dear Sir,

I am the son of Sri. S. Srinivasa Rao, B.A., who retired from Government Service in 1931 as Head Master of the Government High School, Kolar. His services had been lent to the Governments of Bombay and Baroda between 1914 and 1918 to introduce Lloyd in that Presidency and State.

I graduated from the Central College Bangalore and took the degree in Law from the Bombay University. I joined the Bangalore Bar in 1927 and was enrolled in February 1928 as an Advocate of the High Court of Mysore. Ever since then I have been in active and independent practice in Bangalore.

From 1931 to 1947 I was associated with Sri. E.S. Venkataramanan and the late Sri. G.S. Doraiswamy Iyer and have attended to all their heavy and important work. Both of them had a regard for and implicit confidence in me. Sri. G.S. Doraiswamy Iyer held the position of Public Prosecutor and Government Pleader, Bangalore Division for the uniquely long period of 12 years with distinction and in close association with him I had the rare opportunity of handling all Kinds of Civil and Criminal work of the Government with their approval.

I have conducted several Criminal Sessions Cases as Special Public Prosecutor, and appeared for the accused in several appeals before the High Court. Sir Varley Reilly, Chief Justice openly thanked me for my work in a Legal Aid Society brief.
